# Welcome to the 2021-2022 Awards Presentation

The Peterborough Hockey Association would like to honor and congratulate all the players, coaches, volunteers and parents on a successful return to hockey this season. We are proud to be a part of such an exciting season and look forward to growth of hockey continuing development and growth of hockey in the City of Peterborough.

# Our Mission

The purpose of the Peterborough Hockey Association is to organize, develop and promote minor ice hockey for the youth of the City of Peterborough and surrounding area including:

- The opportunity for all eligible individuals to participate in recreational house league ice hockey, and to provide community based programs, which will allow a player to participate in an environment for fun, physical exercise and fair play;
- The development of programs designed to enhance Members participation in ice hockey and provide members with the opportunity to participate at the highest competitive level;
- The development of and participation in representative ice hockey and provide the opportunity to participate at the highest competitive level;
- To instill in all players, coaches, managers and members associated with the PHA; good sportsmanship, correct and proper behavior on and off the ice, respect for authority and team play;
- The development of a culture of diversity and inclusiveness in every aspect of the Association's activities;
- The Association shall be operated without the purpose of financial gain to any of the Members and any surplus or accretions of the Association shall be used solely for the purposes of the Association and for the promotion of its objectives.

# Message from the President:

- We the PHA would like to take a moment and thank all those involved in our 2021-22 season. Whether it be as a player, bench staff, or a volunteer of any kind. The last two years have been extremely difficult to navigate for all. We appreciate your patience and understanding through these difficult times. We are very proud of being able to continue our on-ice programming for our children through the past two seasons when many other associations across Ontario near and far, elected not to participate on ice or weren't able to despite the desire to so. Having these players on ice has been so important for their mental well being if not more then their physical wellbeing. We look very much forward to an even more conventional season next year, and with that thought in mind we'd like to take a few minutes to specifically thank the following individuals as PHA Award winners for the 2020-21 and 2021-22 seasons.

Sincerely, Pete Simon
