**Entry and Exit Plan – Ice Rentals
Otonabee Memorial Community Centre**

The Township of Otonabee-South Monaghan wants to make your visit to the Otonabee Memorial Community Centre a safe and fun experience for everyone. That's why we prepared this guide to safely enter and exit our Facility. Its rules and guidelines will be strictly enforced to keep you and everyone safe during our re-opening.

Whether you are a participant, coach, official, parent, staff or contractor, we are all responsible to prevent transmission of COVID-19 and ensure the facility guidelines are followed. **The Township will continue to update our facility guidelines and procedures as needed. Failure to comply will result in the cancellation of Permits.**

1. Hockey/Skating Programs

Stage 1

- Participants/Coaches will enter through the most southern door on the east side of the facility 0 -10 minutes before rental time. Once Ice Resurfer has exited the ice surface a staff member will allow entry to the next group.
- Participants will leave skate guards and masks in a designated area and enter directly onto the ice using designated door
- Players will exit the ice using the door in the south west corner of the ice surface immediately after the rental ends
- Immediately after leaving the ice surface, masks and skate guards must go on, participants will then exit the facility through the dressing room hallway exit door
- Only the main lobby men's and one woman's washroom is available. Access is restricted (as posted) to a limited number of users at any given time

Note* - area outside of the dressing room exit door will be blocked off so that no cars can park in the area where participants will be exiting the facility
